ABOUT THE COVER . . .

Football is autumn, the leaves turning, a thrilling run by your favorite player — an exciting game and meeting old friends. In this week's cover, Bob Abbett has captured the feeling perfectly — without a word. Cover design by Spencer Advertising Co., New York City.

Tonight's Game—

Indians Unbeaten This Fall

Tonight's football game brings together two teams of almost equal caliber. Their records are almost identical, they both possess good offensive and defensive units and they have defeated two common opponents by similar scores.

The Indians of Southern Colorado are 5-0-1 for the year, while the Tigers are 5-1-0.

Southern has defeated Western New Mexico, Panhandle A & M, Washburn University, Emporia State and Ft. Lewis (Colo.). The Indians' 0-0 tie came with Colorado State College of Greeley.

On the other hand, the Tigers have defeated Southwestern Oklahoma State, Kearney (Neb.) State, Central Missouri State, Washburn and Emporia State. The Tigers' one loss was to the same Colorado State team that tied the Indians.

Another common opponent faced by both Southern Colorado and Fort Hays State was Washburn University. The Indians beat the Ichabods 40-14 while the Tigers coasted to a 25-0 victory.

The other common foe was Emporia State. The Indians had a tougher time with the Hornets than did the Tigers. Southern won over Emporia 28-13. The Tigers bombed the Hornets 42-7.

Fort Hays State and the Indians from Pueblo have played only two previous contests. In 1963, the Tigers beat the Indians 18-14. Last year the Indians reversed the decision, winning 34-19 at Pueblo.

Leading a potent Southern Colorado ground attack is a 170-pound sophomore from Clinton, Okla., Frank Hester. An all-state selection at Clinton, Hester has been a problem for opposing teams all season.

A 9.4 100-yard dash man, Hestern scored all four touchdowns against Emporia State two weeks ago. He had touchdown runs of seven, 15, 75 and 95 yards.

And the Tigers know how good Indian quarterback Chet Foster is. He scored twice against the Bengals last year on runs of 65 and 69 yards.

To counter the offensive threat of the Indians, the Tigers will throw in a unit that is second in the conference in total defense.

The Bengals have allowed their opponents 205 yards per contest on the ground and in the air. Southern Colorado has been averaging well over 300 yards a game on offense.

FHS can also boast of the top individual runner in the conference in quarterback Bob Johnson, who has carried the ball 136 times for 635 net yards.

He is also second in the conference in passing with 29 of 65 attempts for 490 yards and eight touchdowns.

Next Week's Game

Next Saturday the Pittsburg State Gorillas will represent the opposition for the Fort Hays State Tigers in an 8 p.m. contest at Pittsburg. Pittsburg State is 2-4 for the 1965 season. The Gorillas defeated Washburn University 20-7 last Saturday at the Pitt Homecoming. The Pittsburg State crew has lost to Central Missouri, the University of Missouri at Rolla, Southwest Missouri and Omaha University. Their only other victory was over Northeast Missouri State College. The Bengals and the Gorillas have played 37 contests dating back as far as 1925. Pittsburg has won 21, lost 10 and six have ended in ties. The Tigers swamped the Gorillas 40-7 last year at Hays.

One Year Ago . . .

The Tigers invaded Pueblo last year and fought the Indians to a 34-19 decision in favor of SCSC. Fort Hays State was led by Max VanLaningham who scored two touchdowns, both one-yard sneaks, passed to Ronnie Morel for a 22-yard counter and kicked one extra point. The victorious Indians scored their touchdowns both late in the first half and second half and were led by Chet Foster who scored two touchdowns with amazing runs of 65 and 69 yards. Bob Berry scored on a one-yard sneak and passed to Tony Sarno for another six points. Closing out the scoring for the Indians was little Randy Eddy on a two-yard plunge. Dan Cholas had an outstanding afternoon as he kicked four extra point conversions to round out the scoring.

Athletic Director Welcomes Tonight's Guests

Our special guests for tonight's football game are friends of Fort Hays State who have for many years contributed generously to our athletic program. Because these people give athletic scholarships and offer employment to our athletes, it is evident that they care about, and are sincerely interested in, the athletic program at Fort Hays State College. So it is with this in mind that we welcome these friends to this football game. Come back and come often; we are most grateful for your help.

PENNY EDWARDS — "MISS TIPARILLO"

What does she mean "cigars...cigarettes...Tiparillos"?

You'll be hearing that chant more and more—now that Tiparillos have arrived. And arrived they have. In all the right places. With all the right people.

The new Tiparillo has a neat, trim shape. It looks young and debonair. And its pearly, pliable tip pays more than lip service to your smoking pleasure.

And never before such mildness! The most careful blending of choicest imported tobaccos has seen to that. So, too, has the exclusive, veinless Ultra Cigar Wrapper* that burns so evenly and smoothly it insures complete mildness.

You can even see the mildness. The

surprisingly whiter ash is visible evidence. Smoker's proof. Here is flavor you don't have to inhale to enjoy.

"Cigars . . . cigarettes . . . ?" Who knows, maybe someday it will be just "Tiparillos!"

Why don't you ask for one today?

*T.M. GENERAL CIGAR CO.

Tiparillos are on sale at this stadium.

Introducing the tuned car. 1966 Buick.

What makes a car a car is styling, performance, ride and handling. Only when they're all tuned together is the car a Buick. Like this '66 Riviera Gran Sport.

Every last thing that goes into a Buick—suspension, body mounts, shock absorbers—not only has to work, it has to work with everything else. That's tuning.

Tuning is what we do more of (and care more about) than anybody we know of. And then we go out and test it in more places, too. On roads like the ones you'll be driving on. Why we do it will be obvious when you take your first ride. The tuned car rides and handles as handsomely as it looks. (Tuning may be hard to explain. But it's easy to notice.)

What the tuned car will do for you. And your family. For a start, the new Riviera

will comfort you. You'll see that when you slip into the Riviera's new bench seats. Space for six. If you like buckets, they're available, with a reclining arrangement for the right-front passenger. And we have another comforting option available: a new notch-back seat that converts from bench to semi-bucket.

Choosing the tuned car. Visit your Buick dealer. Every Buick you see is the tuned car. Riviera, the new international classic. Riviera Gran Sport. *Every '66 Buick.*

And with a choice like that, how in the world can you go wrong?

Wouldn't you really rather have a Buick?

How do athletes handle athlete's foot?

**They follow their trainers' advice and
use Desenex® for prevention and treatment**

It's excellent protection against itching, cracking and irritation of Athlete's Foot. Helps prevent spreading, too. No wonder Desenex is the Athlete's Foot treatment most widely used by college football trainers.

We know you don't have a trainer to keep you on your toes. But that's no reason to suffer from Athlete's Foot. Start using Desenex yourself. Avoid Athlete's Foot problems with Desenex Powder or new, cooling Desenex Aerosol—and for treatment use Desenex Ointment. Desenex is guaranteed to work or your money back.

The Indians

Tonight's Opponent-Southern Colorado

JOE PRATER . . . Head football coach at Southern Colorado. In his tenth year at the Indian helm, his overall record is 42-35-4.

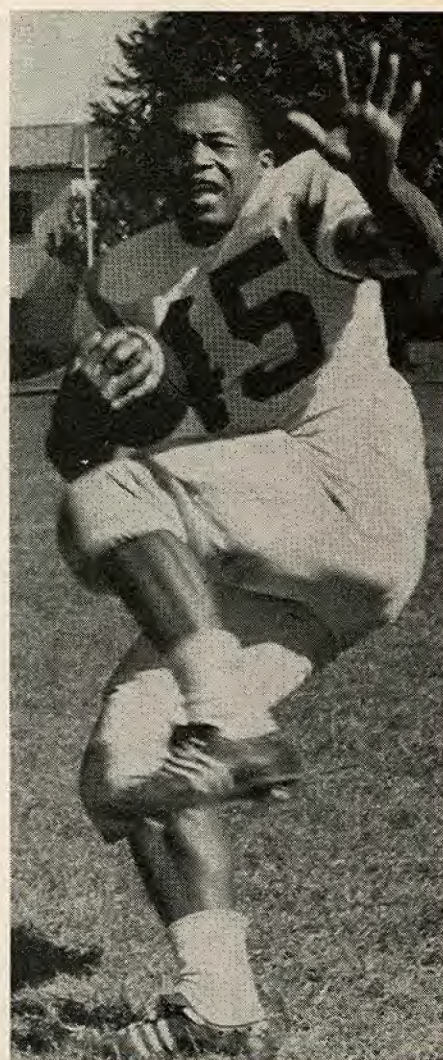

SAM CLAY . . . Senior guard and mainstay in the Indian lineup. Clay also serves as Student Council president at Southern Colorado.

Southern Colorado State College, Colorado's newest four-year institution of higher learning, was established in 1961 by the Colorado General Assembly following a recommendation that it evolve from Pueblo Junior College.

While continuing to offer the two-year academic and trade-technical programs associated with a junior college, SCSC has expanded its program to include the Bachelor of Arts and Bachelor of Science degrees making it Colorado's first multi-purpose college.

Southern Colorado State, which graduated its first senior class in June, 1965, is now constructing a completely new campus on a mesa at the northeastern edge of Pueblo. The library-classroom complex and science buildings should be ready for use in the spring of 1966, and the first dormitory on the site is scheduled for occupancy in the fall of 1966. The new college, rising against the skyline of Pueblo, offers a bold concept of the region's new era of culture and education.

The total 1965 enrollment of 5,245 students adds emphasis to the school's rapid growth, and to the acceptance of its educational concepts throughout the area. The varied program offered at Southern Colorado State College is reflected in a breakdown of student enrollment. There are 3,365 regular on-campus students, 1,005 evening college students on the SCSC campus, 722 students at the Colorado Springs evening program and 153 Manpower Development Training students.

FRANK HESTER . . . The fastest back on the field, Hester is always a breakaway threat. His longest touchdown run from scrimmage this year is 95 yards.

HALF TIME-ANYTIME-MAKE IT MILK!

Busy football weekends call for extra energy. And that calls for a refreshing glass of milk. Milk is nature's vitality drink . . . that helps you stay in peak condition, sees you through the busiest fall days.

Half time; snacktime, anytime—when you take a break, make it milk. Keep up with the fun with milk's vitality!
